Through Our Gateway of Miracles
Ascension Programs**

Ascension for Personal Growth
Ascension for Leadership

These are very powerful, intensive workshops designed to help you use your heart rather than your mind to activate your life. Ascension for Personal Growth helps you drop the yoke of ego-centric thinking, experience the life-fulfilling energies of the Spirit and learn to trust again. Ascension for Leadership builds upon the transformation you experienced in Ascension for Personal Growth in order to awaken your abilities as a heart-centered leader.

Ascension for Personal Growth

Five Modules

Breaking of the heart – Find out what issues are binding the heart from loving and trusting again. Remove the fear-based, subconscious programming and allow the heart to be free again. Identify the fears and judgments that are your major stumbling blocks through societal conditioning.

Loving the heart – Learn to love your Self again. Learn to recognize the oneness that you have with all humanity.

Forgiveness in the heart – Forgiveness is the most powerful tool we have to allow our Spirit to flow freely.

Manifesting through the heart – This is a method of creating through the living heart rather than through an analytical / critical mind.

Seeing through the heart – Obtain a clear vision of life as it is without the filters which have been programmed—consciously, unconsciously, or subliminally—hence leading you on the right road for your heart.

Our Ascension programs are led by Sir Anthony Puddu, Ph.D., who studied at London and Cambridge Universities and holds doctorates in religion, divinity and counseling. He is fluent in eight languages and has traveled the world extensively in diplomatic circles. He has worked for 25 years helping people resolve many spiritual issues and counseled world leaders, but refuses to be anyone's guru.

Reverend Rich Lenzini is a volunteer minister and teaching assistant who will help you determine the emotional blockages that may be binding you. He is adept at zeroing in on the issues that you may be avoiding because your subconscious programming does not want you to face them.

The Ascension Programs are taught at various locations in 2 ½ day modules (about 21 hours).

Please visit our website for dates, location and costs of these Programs.

You must apply and be approved for the Ascension Programs. To apply, download the application form from our website.

Please note: The Ascension Programs are not a substitute for psychological or psychiatric help.
